

CANADIAN FIREARMS SAFETY COURSE

APRIL 18 & 19, 2015

The Alberta Biathlon Club (ABC) is pleased to announce that it will be partnering with the Alberta Hunter Education Instructor Association (AHEIA) to offer the Canadian Firearms Safety Course (CFSC) to all athletes and/or parents/guardians of athletes enrolled in a Biathlon program in Alberta. All athletes 12 years of age or older require the CFSC to obtain their Minor Firearms License or Possession and Acquisition License (PAL) in order to participate in the sport of Biathlon.

Who can attend: Any athlete who will be 12 yrs of age by Dec 31, 2015, parent and/or guardian involved in Biathlon in Alberta or planning to join a Biathlon Club by September 2015. The course will be targeted towards youth and one or both parents(including Moms). Guardians and Grandparents are also welcome.

Cost: \$50 plus must be a current member of ABC (membership is \$5 per year)

Where: Calgary Conservation Education Centre for Excellence, A.H.E.I.A., 911 Sylvester Crescent, SW, Calgary, AB T2W 0R8

When: Saturday April 18, 9:30 AM to 4:00 PM & Sunday April 19, 2015, 9:30 AM to completion, instruction must be at least 8 hours by law, group size determines time required for testing on final day.

How to register: online at www.albertabiathlon.com Space is limited to 40 seats, so please register early as this Biathlon special CFSC will not be offered again in 2015. See our website for further details www.albertabiathlon.com or email info@albertabiathlon.com

Our Mission is to...

...promote, develop and increase participation in the sport of biathlon in Alberta; foster and support the values of active and healthy living through recreational and competitive biathlon.
