## Team Selection

A ranking will be established based on the arithmetic average of each athlete's respective percentages for **both** Calforex Cup #2 competitions. (Refer below to "*Percentage Calculation*") Athletes will be ranked amongst all competitors in their respective category. In the event that only 1 race takes place during the weekend, the results of that race will be solely utilized in making the team selection.

Based on athlete percentages, the top two male athletes and the top two female athletes will be awarded positions on Team Alberta North. The third-placed male and third-placed female athlete will be named to Team Alberta North as alternates.

**Percentage Calculation:**

Percentages for each competition will be based on a percentage of the fastest time in the category under consideration, as follows:

For categories with one (1) entrant, the winner will be awarded a maximum of 90%.

For categories with two (2) entrants, the winner will be awarded a maximum of 95%.

For categories with three (3) or more entrants, the winner will be awarded a maximum of 100%

**Example:**

Winner-time = 20:00 min.; Athlete-time = 22:00 min

Percent =  $20/22 * 100 = 90.90$

**Percentages will be rounded to 2 decimal places.**

**Alternate Selection Event**

In the event that both Calforex Cup #2 races are cancelled, team selection will take place at a 2-day competition in Grande Prairie, AB the following weekend, January 14 & 15.

Grievances regarding the selection process will be dealt with in accordance with the Biathlon Alberta [Dispute Resolution Policy](#).
