

Team Alberta North Arctic Winter Games Ski Biathlon Trials

**January 9th & 10th
At Calforex Cup #3 in Camrose Alberta**

**Sanctioned by
Biathlon Alberta**

Registration

Athletes should register as either Junior boys/girls or Senior boys/girls for this competition following the process laid out in the Calforex Cup #3 race notice. **Athletes vying for spots on Team Alberta North must also register by e-mail to Michael Morgan by the race registration deadline at wapitibiathlon@gmail.com** . There are no additional fees to be considered for Team Alberta North selection.

Team Selection

The Team Alberta North, Ski Biathlon Team will be chosen based on the results of this event. The team will consist of up to 2 boys and 2 girls in each of the age categories. Selection will be made by the Ski Biathlon Coach, Rick Watson and Alan Ball.

Athletes are expected to participate in both competitions. Athlete ranking will be done based on the arithmetic average of the athlete's percentages for both of the competitions. In the event that only 1 race takes place during the weekend the selection committee will utilize the results of that race and any other pertinent information in making the team selection.

Alternate Selection Event

In the event that both Calforex Cup #3 races are cancelled the team selection will take place at a 2 day competition in Grande Prairie AB the following weekend, January 16 & 17.

Event Information please contact:

Biathlon Alberta or the host club contact as shown on the race notice

Percentage Calculation:

Percentages for each competition will be based on a percentage of the fastest time in the category under consideration, as follows:

For categories with one (1) entrant, the winner will be awarded a maximum of 90%.

For categories with two (2) entrants, the winner will be awarded a maximum of 95%.

For categories with three (3) or more entrants, the winner will be awarded a maximum of 100%

Example:

Winner-time = 20:00 min.; Athlete-time = 22:00 min

Percent = $20/22 * 100 = 90,90$

Percentages will be rounded to 2 decimal places.
