Existing

4.2.3 Procedure at the Special General Meeting

Proposed Revision

4.2.3 Procedure at the Special General Meeting

Any Special General Meeting has the same method of voting as the Annual General Meeting.

***Rationale:** Addresses an inconsistency currently in the bylaws: Section 4.3.2 details distinct quorum requirements for the Annual General Meeting and a Special General Meeting. The quorum requirement for a Special General Meeting has no leniency: should quorum not be reached, the meeting is dissolved. Given that a Special General Meeting would be called only under special circumstances, this higher quorum threshold is appropriate.*
